### Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that may cause a choking hazard.
- Do not place near sources of fire and protect from direct sunlight and extreme temperatures to prevent damage and colour fading.
- Keep clean to avoid the formation of mould or bacteria.
- Observe the manufacturer's instructions and safety information to minimise risks.
- Do not stack excessive weight and ensure that the containers are placed on a stable surface to prevent them from tipping over.
- The containers are not suitable for hazardous, flammable substances or hot objects in order to prevent deformation.
- Do not use the containers to transport liquids and avoid sharp objects inside to prevent damage and injury.
- Effective recycling methods should be used for disposal.
- Make sure that the containers do not overheat when used as laundry separators to prevent material damage.
- Ensure that no hazardous waste ends up in the collection system and that the labels are clear and visible to avoid confusion when separating waste.
- When using with liquids, monitor carefully to avoid leakage.
- Children should not play with the containers to avoid the risk of suffocation.
- Watch out for sharp or pointed objects that could remain in the container to prevent injury.
