Article Numbers: 136865, 133775, 133555, 133554

Safety Instructions:

- Not suitable for children under 3 years of age due to small parts (choking hazard).
- Ensure that the recyclables collector is stable to prevent it from tipping over.
- Avoid loading the recyclables collector with excessive force to prevent damage.
- Take care when using the inner bucket to prevent waste from leaking.
- Avoid using sharp or pointed objects that could damage the plastic.
- Choking hazard due to small parts if used improperly.
- There is a risk of injury if handled incorrectly.
- Observe disposal instructions to avoid environmental damage.
- These products are not intended for use by children and should be kept out of their reach.
- Before assembly, check that all parts are present to avoid assembly errors.
- Using the recyclable waste collector with hot or chemically active waste can lead to damage. Only use it for the intended materials.
- Avoid placing the recyclables collector near sources of heat or naked flames to reduce the risk of fire.
- Follow the instructions for installation and use to ensure that the product works properly and is safe.
