Safety Instructions:

- Not suitable for children under 3 years of age due to choking hazard from small parts.
- Avoid contact with sharp objects and sharp edges to prevent damage or injury.
- Ensure that strength and stability are guaranteed, especially when fully loaded or when stacking to prevent tipping.
- The product is not suitable for use in extreme temperatures, open flames or weather conditions to prevent material changes; protect from heat and direct sunlight.
- Only use for the storage of food-safe materials and comply with food safety regulations.
- Avoid overloading the product to prevent it from tipping over or being damaged.
- Use suitable protective clothing to avoid injuries.
- Check all parts and instructions before use; do not use if damaged; do not carry out any unauthorised repairs.
- Store product in a cool, dry place and do not store unattended outdoors without a lid to avoid contamination or material changes.
- The product is not suitable for carrying heavy loads without proper technique to avoid back injuries.
- Keep the product away from children and infants to avoid injury from misuse or tipping over.
- Handling by adults or under adult supervision; intended for use by adults.
- Ensure disposal of the product in accordance with local regulations.
