Article Numbers: 134256, 134255, 134254, 134253

Safety Instructions:

- Only use in covered outdoor areas to ensure protection from extreme weather conditions.
- Set up on a stable and level surface and use adjustable feet to ensure stability and avoid the risk of falling. Regularly check the stability of the adjustable feet.
- Ensure that the hinged door closes properly and is used securely with the recessed handle to prevent uncontrolled swinging and injury.
- Be careful when adjusting the feet to avoid wobbling.
- Store keys securely to prevent unauthorised access.
- Not suitable for children to play with. Use by children only under adult supervision.
- Ensure that the container is securely positioned to prevent it from tipping over.
- Ensure safe use of the self-closing flap to avoid injury and handle it carefully to avoid the risk of crushing.
- Ensure that all parts are securely mounted to avoid injury.
- Avoid contact with sharp edges or surfaces.
- Regular maintenance required to ensure safety and functionality.
