### Safety Instructions:

- Not suitable for children under 3 years of age as small parts pose a choking hazard.
- Avoid skin and eye contact with the ink; in case of eye contact, rinse immediately with plenty of water and seek medical advice.
- Do not inject or ingest. If you feel unwell, seek medical advice immediately.
- The ink should be used in well-ventilated areas. Vapours should be avoided.
- The use of the ink on food or in food packaging is not permitted.
- Risk of permanent stains on textiles or furniture if used incorrectly.
- Do not store near fire or high temperatures.
- Keep away from children. Use with caution with children as the ink may not be non-toxic.
- Always replace the cap to prevent evaporation.
- Please observe the instructions for use and safety information.
- Refillable markers should only be used with the intended refill material.
