Safety Instructions:

- Caution: Danger due to sharp edges of the steel sheet.
- Not suitable for children, risk of suffocation due to unsecured contents.
- Ensure that the waste collector does not overheat to avoid the risk of fire.
- The use of the lid with soft-close function must be observed in order to avoid injuries in the event of unexpected closing and not to impair functionality.
- Do not use any sharp objects when cleaning to avoid damaging the surface.
- The product must not be used in areas where it could come into contact with food, unless special instructions for use are given.
- Ensure that the waste bin is placed on a stable, level surface and is not overloaded to prevent it from tipping over.
- Secure the lid to prevent unintentional opening, especially by children.
