Safety Instructions:

- Caution: Avoid fire hazard due to improper use.
- Only use the waste collector for combustible materials. Suitable containers should be used for the disposal of flammable waste in order to minimise the risk of fire.
- Keep the lid closed to smother fires. The lid is flame-extinguishing; do not open in the event of a fire.
- Intended for indoor use, do not use outdoors.
- Ensure that the waste bin is not overfilled. Be careful not to overfill the container.
- Child safety measures must be observed to prevent injuries.
- Include safety information and instructions for use in plain language.
- Regular maintenance required to prevent overflow or failure.
- If there is a risk of fire, use the self-extinguishing function.
- Do not use with flammable liquids or hazardous waste.
