Article Numbers: 881730, 881729, 881728, 881727, 881725

Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that may pose a choking hazard.
- Avoid contact with sharp objects that could damage the surface.
- Do not open or close by force; do not use the pedal mechanism improperly to avoid injury.
- The product is heavy, lift it with care to avoid back injuries.
- Do not overfill or overflow the waste bin to prevent it from tipping over and causing injury.
- When using the pedal mechanism, ensure that the waste bin is standing securely to avoid twisting or jamming.
- Pay attention to sharp edges when cleaning to avoid cuts.
- Follow the instructions for correct use and avoid improper use.
- Risk of suffocation due to improper handling or disposal of waste.
- Ensure that the product is placed on a stable, level surface to prevent it from tipping over.
- Only use the waste bin for its intended purpose and do not fill it with hazardous materials.
- Keep the waste bin out of the reach of children and do not allow them to play with it.
- Ensure regular inspection and maintenance of the pedalling mechanism to prevent malfunctions.
- The use of weights for stabilisation is recommended if necessary.
