Safety Instructions:

- The product should only be used in accordance with the enclosed instructions and safety information.
- Maximum load per shelf: 50 kg - do not exceed to avoid overloading and material fatigue.
- The product is not designed for use by children or in an environment where children have access.
- Ensure that the shelves are correctly and securely mounted to prevent them from tipping over or falling.
- Regularly check the fastenings and brackets for wear or damage and for proper functioning, especially under high loads.
- Use the bracket supplied to securely fasten the shelves; incorrect installation can lead to injuries.
- The products are intended for use in closed rooms and must not be exposed to the weather.
- Wear suitable protective equipment during assembly and handling.
- Make sure that the height adjustment (25 mm adjustable) is carried out correctly to ensure stability.
- Use by children only under adult supervision.
