Article Numbers: 301113, 301112, 301111

Safety Instructions:

- Suitable for storing documents, but do not store in direct contact with confidential or sensitive information without protection.
- The film is tear-resistant; excessive pressure or bending should be avoided.
- Not suitable for children under 3 years of age as small parts may pose a risk of injury.
- Keep away from small children as small parts can be swallowed.
- Do not store near fire or heat sources.
- Sleeves not suitable for direct contact with food.
- Avoid the use of aggressive chemicals for cleaning.
- No long periods of exposure to sunlight to ensure the longevity of the material.
- If used incorrectly, small parts or packaging material can pose a choking hazard for small children.
- Do not use covers with damaged areas.
- Dispose of the product in accordance with local waste disposal regulations.
- Ensure that the covers are manufactured in accordance with the specified standards for general product safety.
