Safety Instructions:

- Make sure that the table is stable to prevent injuries from tipping over.
- Avoid using the appliance near naked flames or overheated objects.
- Make sure that small children cannot play with the table to prevent falls or injuries.
- Please use the table only for its intended purpose and avoid overloading it.
- Clean the table surface regularly to prevent the accumulation of dirt or liquids that could become slippery.
- Keep out of the reach of children to avoid the risk of suffocation.
- Sharp edges can cause injuries; take care when using.
- Only install in accordance with the instructions to avoid stability risks.
- In the event of unexpected damage, do not use and remove immediately.
