Please note the technical data of the products!

Article Number: 188110

Safety Instructions:

- The luminaire contains non-replaceable LED lamps. Please replace the entire luminaire if the lighting fails.
- Caution: The light becomes hot during operation. Only touch the housing, not the lamp or the cover.
- This light is equipped with a motion sensor. Make sure that the sensor is not blocked to ensure functionality.
- Please do not use the light in damp or wet environments to avoid the risk of electric shock.
- The product has a weight of 12.6 kg. Make sure that the location for the floor lamp is suitable and stable.
- The light may only be operated with the intended light sources. Do not use any improper replacement parts.
