Article Numbers: 188137, 188135, 188134

Safety Instructions:

- Do not place or use within reach of children to avoid the risk of choking on small parts.
- Ensure that the ceiling light is mounted in a stable and suitable location to avoid the risk of falling.
- Make the electrical connections in accordance with the manufacturer's instructions to reduce the risk of electric shock.
- Do not use outdoors as this can lead to overheating and fire hazard. Only suitable for indoor use.
- In the event of overheating or smoke, disconnect from the power supply immediately and consult a specialist.
- Do not install or operate near water sources to avoid the risk of electric shock.
- Do not cover or conceal the lamp during operation to prevent overheating.
- Always switch off the appliance before maintenance or cleaning.
- Only use the remote controls provided to control the light colour and observe the operating instructions.
- Have the installation carried out by qualified personnel.
