Article Number: 177763

Safety Instructions:

- Ensure that the monitors are properly mounted to minimise the risk of falling and possible injury.
- Do not exceed the load capacity of the monitor arms (up to 8 kg per arm).
- Follow the assembly instructions exactly to prevent parts from accidentally coming loose and falling into the work area.
- When using VESA adapter plates, ensure that they are compatible and correctly fitted to avoid safety risks.
- Avoid contact with neighbouring objects when swivelling and rotating the monitors to prevent injury and damage.
