Article Number: 177765

Safety Instructions:

- Observe the maximum load capacity of 20 kg to prevent the monitors from tipping over.
- The bracket must be mounted securely and stably to prevent injuries.
- The use of cable routing ensures tidiness and reduces the risk of tripping.
- The product is not suitable for use by children. Keep small parts and cables away from children.
- Care must be taken when adjusting the height to avoid crushing.
