Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking on small parts.
- Follow the printer's safety instructions before use.
- Avoid spilling ink. In case of skin contact, wash off with water.
- Ensure that the ink cartridge does not get into the hands of children to avoid small parts that could cause a choking hazard.
- To avoid the risk of fire, do not store the ink cartridge near sources of heat or naked flames.
- Avoid contact with skin and eyes. In the event of contact with ink, rinse immediately with water and consult a doctor if in doubt. In case of contact with eyes, rinse thoroughly with water and seek medical advice.
- Dispose of the ink cartridge in accordance with local regulations.
- Only use the ink cartridge in printers intended for this purpose in order to avoid damage and safety risks.
- Store in a cool, dry place, away from direct sunlight.
- Do not disassemble or damage as ink can be dangerous if it comes into contact with skin or eyes.
- There is a risk of injury from colour or ink leaks if handled incorrectly.
- In the event of an allergic reaction to the ink, consult a doctor immediately.
- Do not store near food to avoid contamination.
