Please note the technical data of the products!

**Article Numbers:** 138824, 138823, 138822, 138821, 138820

### Safety Instructions:

- Ensure that the trolley is standing on a level and stable surface to prevent it from tipping over.
- Observe the maximum load capacity of the trolley to avoid overloading and possible damage.
- Open fronted storage bins must be inserted correctly and placed securely in the compartments to prevent them from falling out during transport.
- Children should be kept away from the trolley to avoid the risk of injury or choking.
- Do not push the trolley over stairs or uneven surfaces to prevent it from tipping over.
- Regularly inspect the metal feet and trolley for stability, cracks and structural integrity to prevent accidents.
- Be careful when moving the trolley to avoid falls.
- When labelling the visual storage boxes, do not use sharp objects to avoid injury and ensure that no information is concealed.
- Do not park the trolley in busy areas to reduce the risk of accidents.
- Only suitable for use within the intended weight and size restrictions.
- Safety instructions: Only use for the intended purpose.
