Safety Instructions:

- Not suitable for children under 3 years of age as small parts can cause a choking hazard.
- Ensure that the box is placed on a stable surface to prevent it from tipping or falling over.
- Avoid overloading and overloading the drawers to minimise the risk of damage or injury.
- Do not place the drawer box near sources of heat or water to prevent deformation or damage to the material.
- Provide clear operating instructions for the safe use and correct handling of the box.
- Observe the storage instructions before use.
- Do not stack when heavily loaded to prevent tipping.
- Clean with a damp cloth; do not use abrasive cleaners or harsh chemicals.
- Ensure that the drawers are properly closed to prevent them from falling out.
- Only suitable for use in dry areas.
- The cable holder is not suitable for all types of cables; ensure that there is no overloading.
- Avoid extreme temperatures so as not to impair the material integrity.
- Only use the drawer box in accordance with the intended purposes and instructions in the office environment.
- Include safety instructions and instructions for safe use to avoid improper use.
