Article Numbers: 175955, 175954

Safety Instructions:

- The wrist rest is only intended for use with flat keyboards to ensure optimum ergonomics.
- Use with caution if there are signs of carpal tunnel syndrome or other wrist problems.
- Avoid excessive pressure on the wrist rest or wrist to minimise the risk of discomfort or injury.
- The support should be used on a stable, non-slip surface to prevent it from slipping.
- Keep the wrist rest away from water and strong cleaning agents to avoid damaging the material.
- Ensure that there are no allergies to artificial leather or the filling materials used.
- Keep the wrist rest clean and dry to ensure the longevity of the material.
- Make sure you check the wrist rest regularly for signs of wear.
- Follow the cleaning instructions for artificial leather to avoid damaging the surface.
