Article Numbers: 27542, 27541, 27532, 27531, 27512, 27511, 27492, 27491, 137019, 137018, 137017, 137016, 137015, 137014, 137013, 137012

Safety Instructions:

- Ensure that all parts of the clothes spindles are securely mounted to prevent them from tipping over.
- A stable, level base is necessary to prevent tipping over.
- Check for correct installation and damage before use.
- Observe the maximum load on the shelves; do not place excess weight on the shelves to avoid breakage and tipping over.
- Protect the product from moisture and extreme temperatures to prevent damage and corrosion.
- Sharp edges and corners must be avoided or covered to prevent injuries.
- Suitable for use with padlocks (shackle thickness 5 - 7 mm) or rotary bolt locks to prevent unauthorised access.
- Ensure that the rotary bolt lock or other locking mechanisms function correctly and are securely fastened.
- The stability, function and integrity of the clothes locker must be checked regularly.
- Do not use in direct contact with water and keep children away to ensure safety and material protection.
- Remove small parts and packaging before use to avoid injury.
- Not suitable for the storage of hazardous or flammable materials.
- All safety information and operating instructions should be included to ensure safe use.
