Safety Instructions:

- Warning: Choking hazard due to small parts. Not suitable for children under 3 years.
- Do not put magnets in the mouth or swallow; if swallowed, seek medical attention immediately.
- Magnetic parts can attract metal objects; keep your distance from electronic devices and storage media to avoid damage.
- Take care when using on non-magnetic or sensitive surfaces to avoid slipping or damage.
- Keep magnets out of the reach of children; danger if handled improperly.
- Avoid use under extreme conditions, such as high humidity, to prevent corrosion or material damage.
- The magnets should not be used by pregnant women or people with pacemakers.
