Article Number: 175964

Safety Instructions:

- The mouse should be used with ergonomics in mind in order to avoid health problems.
- The mouse is not suitable for children under the age of three as it may contain small parts.
- Take care when using near water or other liquids, as this may impair the function or cause damage.
- There is a risk of electric shock if used incorrectly, especially if the batteries leak.
- The mouse should be protected from extreme temperatures and direct sunlight.
