Article Numbers: 60724, 157193

Safety Instructions:

- Do not apply to skin, eyes or mucous membranes; rinse thoroughly in case of contact. In case of injury or skin irritation, seek medical attention immediately.
- Small parts can choke; keep out of reach of children. Not suitable for children as there is a risk of suffocation.
- Do not store at temperatures above 60°C to avoid deformation or loss of adhesive.
- Only use authorised machines.
- Do not use the product on or near a power source to avoid the risk of electric shock.
- Do not use in excess of the recommended maximum load to avoid the risk of injury.
