## Safety Instructions:

- Prevent the chair from tipping over by using it on a stable surface and avoid sitting on the backrest.
- Do not use the chair above the recommended weight limit for safe use.
- Keep the chair away from naked flames and extreme temperatures.
- Ensure that all screws and connections are firmly tightened before first use.
- The chair is not suitable for children under 3 years of age.
- When stacking the chairs, do not exceed the maximum stacking height of 4 units.
- Be aware of the risk of suffocation from small parts if handled incorrectly.
- Risk of injury due to improper installation or use.
- Ensure that the instructions for self-assembly are clear and understandable.
- Observe the height of the chair (450 mm) to avoid the risk of falling, especially when used by small children.
