Safety Instructions:

- Avoid contact with sharp objects to prevent damage to the writing tablet surface.
- Keep the castors clean and in good condition on a regular basis and make sure they are properly locked to ensure the mobility of the board and prevent unintentional rolling during use.
- Make sure that the board is used on a stable surface and that the board is stable to prevent it from tipping over.
- Children should only handle the product under adult supervision, as it harbours potential dangers.
- Be careful when using magnets to avoid injury.
- The product should not be used near water-bearing containers or in damp conditions to avoid damage.
- Ensure that the manufacturer's instructions are followed during installation and use.
