Safety Instructions:

- Ensure that children cannot become trapped when playing and that the product is properly monitored.
- Ensure that the body of the clothes horse is stable and properly mounted to prevent it from tipping over.
- Doors should always be firmly locked and close properly to prevent unauthorised opening and injury.
- Avoid placing heavy objects on the locker to minimise the risk of it toppling over.
- To ensure safe use, all users receive instructions explaining the correct use and installation of the product.
- Avoid choking hazards due to small parts, especially in the vicinity of children, and monitor use by small children.
- No access to sharp edges or moving parts during use and provision of secure locks such as suitable padlocks.
- Protection against crushing and pinching damage when closing the doors and proper use of the rotary bolt lock.
- Have assembly and use carried out by qualified personnel to ensure stability and ensure that all parts are correctly assembled and secured before use.
- Regularly check for damage or worn parts to ensure safety.
- The lockers may only be used for their intended purpose and are not suitable for storing liquids or flammable materials.
- Observe safety requirements for use in schools and nurseries.
- Suitable for children over 3 years of age and especially for toddlers to be used under adult supervision.
