Safety Instructions:

- The document pouch is not waterproof, so it does not offer complete protection against heavy rainfall or submersion in water. It should not be stored near damp or wet material in order to maintain the splash-proof function.
- Avoid contact with open flames or extreme heat sources, even if the bag is fireproof.
- Keep the bag out of the reach of children to avoid entanglement or injury from the securing mechanisms (zip and Velcro fastener).
- Please note that the bag is not suitable for use in extreme temperatures that exceed the specifications.
- Avoid direct sunlight for long periods of time.
- Ensure that the document pouch is not overloaded to prevent damage.
- Only use the document pouch for the specified purposes and in the recommended sizes.
