Safety Instructions:

- Ensure that the clothes locker is mounted stably to prevent it from tipping over.
- Observe the maximum load limits to prevent overloading and tipping over.
- Keep the clothes locker dry to prevent rust from forming.
- Use suitable padlocks or cylinder locks to ensure security.
- Ensure that the doors are properly closed to avoid crushing injuries.
- Regular maintenance recommended to ensure stability and safety.
- Not suitable for children under 3 years of age due to small parts (choking hazard).
- Assembly should be carried out in accordance with the enclosed instructions in order to minimise the risk of stability problems.
- Check the elements for safe installation to avoid injuries.
- Ensure that there are no sharp edges that could cause injury.
- Make sure that the clothes locker is not placed near sources of heat or moisture to avoid damage.
