Safety Instructions:

- The seat height of 400 mm can make it difficult for smaller users to stand up.
- The round cushions could pose a risk of injury to children if used incorrectly.
- The sofa is made of polyester and polyurethane foam, please note allergic reactions.
- The product is delivered disassembled, please observe safety when assembling. Care must be taken when disassembling and assembling the sofa to avoid injury. Make sure you follow the assembly instructions carefully to ensure safety.
- Caution: The sofa must not be used as a trampoline or for other inappropriate activities.
- Ensure that the surface on which the sofa is placed is stable and level to prevent it from falling over. Make sure that the sofa is placed on a stable, level surface.
- The sofa should be checked regularly for loose parts or damage to ensure safety.
- Keep the sofa away from heat sources and direct sunlight to prevent damage to the material. Avoid excessive heat or direct sunlight to prevent damage to the materials.
- Avoid placing heavy objects on the upholstery to prevent deformation.
- If soiled, clean according to the manufacturer's care instructions.
