### Safety Instructions:

- Higher temperatures can damage the print head and the ink cartridge.
- Choking hazard due to small parts in the accessories. Not suitable for children under 3 years of age.
- Keep the battery safe and out of the reach of children. Danger from lithium-ion battery.
- Only use the recommended CMY ink cartridge to avoid damage to the print.
- Take care to keep the appliance away from water and other liquids.
- Do not open the appliance or repair it yourself to avoid electric shocks.
- Keep the appliance and its accessories out of the reach of children.
- The digital stamp must be kept out of the reach of children, as small parts and possible electrical components pose a danger.
- Caution with improper use - possible risk of electric shock due to improper handling of the appliance, especially in damp conditions.
- Use of the app is at your own risk; improper handling or manipulation of the app can lead to malfunctions.
- The device must not be used with a defective ink cartridge or a damaged print head in order to avoid possible safety risks.
