E-Mail: info@michael-ag.de

Please note the technical data of the products!

Article Number: 173832

Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Before use, ensure that the installation of the repeater meets the requirements of the power grid.
- To avoid the risk of electric shock, only use the mains adapter included in the scope of delivery.
- If the appliance overheats, disconnect it from the power supply immediately.
- Using the repeater in environments with strong electromagnetic radiation can impair its function.
- Do not open or modify the appliance yourself as this could compromise safety.
