Safety Instructions:

- Choking hazard due to improper use of small parts
- Regularly check the safety lift for adjusting the seat height
- Height-adjustable lumbar support to suit individual body size
- Do not extend the duration of use of the chair beyond 8 hours per day
- Be aware of the risk of slipping if the armrests are adjusted due to incorrect use
- Ensure a stable base during use to prevent tipping over
- Follow cleaning instructions to avoid material damage
- Regular inspection of the safety double castors for wear and tear
