## Interlayer ZL 43/64 PP, f. small load carrier C-KLT, W 400/600 x D 300/400 mm, light blue

**Manufacturer/Responsible Person:** Schäfer Shop GmbH, Industriestraße 65, 57518 Betzdorf, Deutschland

**E-Mail:** info@schaefer-shop.de

Please note the technical data of the products!

**Article Numbers:** 139056, 139055

### Safety Instructions:

- The intermediate layer should be kept out of the reach of small children to avoid the risk of choking on small parts.
- Avoid risk of suffocation from small parts if used incorrectly.
- Avoid contact with damp or extremely hot objects so as not to impair the service life of the intermediate layer.
- The intermediate layer should not be placed near open flames or other sources of ignition, as polypropylene is flammable.
- Make sure that the layer pad is correctly positioned in the small load carrier to ensure the safety of the stored items.
- Ensure that the layer pad is not used improperly in smaller containers that could jeopardise safety.
- Use only in accordance with the intended applications to avoid injury.
- Regularly check for damage to the material to ensure proper use.
- If cracks or wear are detected, discontinue use and replace the product.
