Safety Instructions:

- Not suitable for use by children under 3 years of age as there is a risk of choking on small parts.
- Keep the lid away from extreme temperatures and direct sunlight to avoid material deformation.
- Clean the lid regularly to ensure hygienic conditions, especially in food logistics.
- Avoid improper handling to prevent damage to the lid.
- Check the lid for damage before use.
- Do not store the lid near fire or extreme heat.
- Designed for commercial use, therefore not suitable for personal use by children.
- Only stack in accordance with the manufacturer's instructions.
- Not intended for use with food.
- Ensure that the lid is correctly positioned on the C-KLT small load carrier to prevent accidental opening.
- Avoid overloading, which could damage the material or jeopardise its use.
- Suitable for use in professional areas; not for use in highly sensitive environments without prior risk assessment.
- Include safety information and instructions for safe use in easily understandable language.
