Safety Instructions:

- The cover must not be used in any way that could jeopardise health or safety.
- Make sure that the cover sits properly on the small load carriers to prevent it from slipping or falling off.
- Avoid direct sunlight for long periods of time to prevent material fatigue.
- The cover should be checked regularly for cracks or damage.
- In the event of visible damage or signs of wear, the cover should no longer be used.
- Keep the cover away from heat sources to avoid deformation of the material.
