Safety Instructions:

- The light is not intended for use by children.
- Choking hazard due to small parts that may fall off the light or occur during handling.
- Risk of electric shock due to improper use, especially if the device or electronic module is not installed correctly or is damaged.
- The built-in LEDs are not replaceable; in the event of a defect, the entire light must be replaced.
- Do not use the light in damp environments to avoid short circuits or other damage. Do not use within reach of water or moisture.
- The light should not be covered or operated in the vicinity of flammable materials to avoid overheating.
- Recommended for indoor use only; not suitable for outdoor use.
- All the manufacturer's safety instructions must be followed to avoid injury.
