Safety Instructions:

- Take care when using the tools, especially with sharp and pointed parts.
- For safe handling of the workshop trolley, ensure that it is standing on a level surface.
- Do not load beyond the maximum load capacity of 35 kg per drawer.
- Keep the product out of the reach of children.
- Before use, ensure that all parts are properly locked.
- Users should always have a firm grip on the handle when pushing and pulling the trolley.
