Safety Instructions:

- Ensure that the workshop trolley is placed on a stable, level surface to prevent it from tipping over.
- Use the handle for manoeuvring the workshop trolley and not for storing tools or heavy objects.
- The drawers should not be overloaded in order not to exceed the load capacity of 35 kg per drawer.
- Secure the workshop trolley with the cylinder lock when it is not in use to prevent unauthorised access.
- Keep the workshop trolley away from children to avoid the risk of injury.
- Regularly check the functionality of the no-risk pull-out lock to ensure safety during use.
