Safety Instructions:

- Lockable door to prevent unauthorised access to cleaning agents.
- Attach securely to the wall to prevent tipping and injury.
- Observe the maximum load of 30 kg per shelf to avoid breakage or accidents.
- Concealed hinges and plastic bumpers for quiet closing.
- Ventilation slits ensure optimum air circulation and prevent mould.
- Recommended use only in designated areas such as offices or workshops.
- Keep out of the reach of children to prevent misuse.
- Only use the cabinet for the intended cleaning products.
- Regularly check for damage to minimise safety risks.
