Safety Instructions:

- Caution: The product may have sharp edges. Handle with care.
- Take care when moving the cabinet to avoid injury or floor damage.
- Ensure that the cabinet is properly assembled and placed on a stable, level surface to prevent it from tipping over.
- Use a padlock properly to prevent unauthorised access.
- The product is only suitable for its intended use. Do not place excessive weight on doors or shelves.
- Keep the cabinet away from water and extreme temperatures to prevent corrosion.
- The product is made of steel and care should be taken to avoid sharp edges.
- Keep the product away from children under 3 years of age to avoid the risk of suffocation.
- Regular inspection of the locking system and mechanisms is necessary to ensure functionality.
- The doors of the wardrobe are fitted with a soft-close mechanism; they should therefore be closed carefully.
- When closing the doors, ensure that no body parts are crushed.
- The product should not be used as a climbing frame or play equipment.
- Use the lock to ensure the security of personal items.
- The product is intended for indoor use. Do not use outdoors to avoid damage or injury.
- Only use the accessories supplied for installation to ensure safety.
- Clean the doors regularly to ensure smooth operation.
