Article Numbers: 280165, 280158, 280156, 280154

Safety Instructions:

- The pull-out shelf must be ordered and used in the correct width to ensure safe installation in the cupboard.
- Avoid improper installation and overloading to prevent instability of the cabinet and structural damage or accidents.
- Follow the installation instructions carefully and keep them to hand.
- The pull-out shelf is made of powder-coated sheet steel - avoid risk of injury from sharp edges.
- Use only for the intended purpose to avoid injury or damage.
- Risk of suffocation due to improper assembly.
- The pull-out shelf is not suitable for use by children. Keep it away from children.
- Ensure that the pull-out shelf is mounted correctly and stably to avoid the risk of tipping over and improper use.
- Only use the pull-out shelf in suitable cabinets and avoid using it with non-compatible cabinet models to prevent damage and injury.
- Recommendation to distribute heavy loads evenly to avoid overloading.
