Safety Instructions:

- Use only recommended for the intended purpose.
- Ensure stable contact with the floor to prevent tipping and adjust the floor gliders correctly.
- Ensure that the locking mechanism functions properly and is checked regularly.
- Avoid violent, improper or excessive use of doors and hinges.
- Keep the locker dry and free of moisture to prevent rust and maintain structural integrity.
- Use by children only under supervision to avoid accidents and the risk of choking on small parts.
- Caution: Sharp edges and corners - risk of injury. Mark the product surface and check regularly.
- Follow the assembly instructions carefully to ensure stability and prevent the risk of falling.
- Observe the maximum load capacity of the shelves and bench.
- Not recommended for outdoor use. High humidity can cause rust.
- Regularly check the function of security accessories such as locks and dampers to minimise unauthorised access.
- Not suitable for children under 14 years of age - risk of suffocation and injury.
- Remove all packaging materials before first use.
- Ensure that the manufacturer's care and cleaning instructions are followed.
- Carefully monitor and correctly use adjustable floor gliders and safety accessories such as turn bolts or cylinder locks.
