Article Numbers: 280215, 280214, 280213

Safety Instructions:

- Attention: To install the drawer in a horizontal roller shutter cabinet, it must be ordered in a 200 mm narrower version. Ensure that the correct width of drawer is selected to avoid fitting problems. To install the drawer correctly, please follow the specific instructions for the width of the cabinet.
- Improper use may result in damage to the cabinet or drawer. The product is not suitable for use in unstable or inadequate furniture design.
- Not suitable for children under 3 years of age as it may contain small parts. The drawer is not suitable for children; should be kept out of reach of children.
- Use only for the intended purpose in accordance with the installation and user instructions. Ensure that the drawer is correctly installed in the cabinet to avoid injury. Drawer designed for use in cabinet systems, not for other applications.
