Article Numbers: 177805, 177804, 177803

Safety Instructions:

- Secure the monitor arm correctly to prevent it from tipping over and to avoid overloading.
- Maximum load of 7 kg: Make sure that the screen does not exceed this weight to ensure safe use.
- Avoid excessive tilting or rotation of the monitor to prevent damage.
- Keep the cable routing tidy to avoid tripping hazards.
- The table top must have a thickness of 10-50 mm to ensure stability.
- Check the stability of the table attachment regularly.
- Not suitable for children under 3 years due to small parts.
- Avoid contact with water and damp environments to prevent electrical hazards.
