Article Numbers: 134820, 134364, 134358, 134357, 134355, 134354

Safety Instructions:

- Not suitable for children under 3 years of age, as there is a risk of suffocation due to possible cut residues.
- Make sure that children do not play with the bags to avoid the risk of suffocation.
- Keep the bag away from children's hands to avoid the risk of suffocation and injury.
- Due to the size of the bags, there is a risk that they will be used as toys by small children.
- When handling heavy waste, ensure that the weight of the bags does not jeopardise handling.
- Wear protective clothing when emptying the bags to avoid skin contact with waste.
- Only use the bag for its intended purpose to avoid safety risks.
- Do not fill with excessive loads to prevent the bags from bursting.
- Do not overload bags to avoid tearing.
- Keep the bag away from sources of fire, as plastic materials are flammable.
- Do not use in conjunction with sharp or pointed objects to prevent damage.
- Use only for the intended purpose.
- Dispose of in designated containers in accordance with local regulations.
- Follow the local regulations when using the product, especially when disposing of waste.
- Keep out of reach of children.
- Do not use for the disposal of hazardous waste.
- Not suitable for the transport of foodstuffs.
- Not suitable for human consumption.
