Safety Instructions:

- Do not exceed the maximum load of 200 kg; observe a maximum of 75 kg for some models.
- Only use the drawer cabinet on firm, stable, level surfaces to prevent it from tipping over.
- Ensure that the drawer cabinet is properly locked to prevent unintentional opening and injury.
- Make sure that all swivel castors are securely locked to prevent them from rolling away.
- Do not overload drawers or fill them with heavy objects to avoid tipping and damage.
- Use the drawers only for their intended purpose; not as a staircase or ladder.
- Children should not have access to the drawer cabinet.
- The drawer cabinet should only be used by persons over the age of 14.
- Carry out regular maintenance and visual inspections of the castors, brakes and drawer safety.
- Use suitable protective gloves when handling heavy tools.
- Only use the product in dry conditions.
- Read and observe all instructions and warnings on the product and in the accompanying documents.
