Safety Instructions:

- Handle with care as the laminator reaches high temperatures.
- Set up on a stable, level surface to prevent tipping over.
- Do not use by children without supervision to avoid risk of injury.
- Disconnect the appliance from the power supply before cleaning.
- The use of untested films can lead to a fire hazard; only use compatible films.
- To avoid overheating, do not cover or block the appliance while it is in operation.
- Use the appliance away from water sources to avoid the risk of electric shock.
