Safety Instructions:

- Avoid sharp edges to prevent injuries.
- Carry out assembly in accordance with the instructions to ensure stability and safety.
- Only use the desk on stable, level surfaces to prevent it from tipping over.
- Make sure that the table is stable to prevent it from tipping over.
- Do not place heavy objects on the tabletop to prevent it from tipping over.
- Maximum table top load: 200 kg.
- Keep the desk away from moisture and direct sunlight to prevent damage.
- Keep the table away from heat sources to avoid deformation.
- Avoid water contact with the table top to protect the melamine resin coating.
- Do not use strong chemical cleaners; only use mild, suitable cleaning agents.
- Regularly check the fastenings and the condition of the desk.
- Children should not use the table without adult supervision.
- Use is only permitted for the intended purpose.
- The table top should not be handled with sharp objects to avoid damage.
- Assembly should be carried out correctly by an adult to ensure that all components are installed correctly.
- In the event of damage such as cracks or splintering, do not continue to use the table.
- Place the table out of the reach of children if it could be misinterpreted as a toy.
