Article Numbers: 195837, 195836, 195835, 195834, 195833, 195832, 195831, 195830

Safety Instructions:

- Beware of tripping hazards due to improper use of the belt post.
- The belt post is designed for heavy loads; avoid excessive pressure to prevent damage.
- Keep the webbing away from heavy, sharp or mechanical impacts to prevent tearing or damage.
- Make sure that the post is stable to prevent it from tipping or falling over.
- The harness post must not be used by children; there is a risk of strangulation and it should only be used under adult supervision.
- Regularly check the condition of the belt and the post for wear or damage.
- Ensure that the webbing is retracted correctly and securely and is not under tension to avoid injury.
- Suitable for indoor and limited outdoor use; protect from extreme weather conditions.
- Do not use near fire, heat sources or in areas with transport vehicles.
- Do not exceed the maximum belt extension length of 7 m to avoid tripping hazards.
- Avoid pulling the belt over sharp edges to prevent damage.
- Product is not suitable for use by children and should not be used as a toy.
- Avoid use in heavily frequented areas to prevent accidents.
- If there are signs of wear or damage, stop using the product immediately.
