Safety Instructions:

- Please note that this lumbar support is only suitable for the SSI Project OI 2530 office chair.
- The use of a non-compatible office chair can lead to injuries.
- Ensure that the lumbar support is correctly installed to prevent injuries caused by improper use.
- To minimise the risk of injury, height and depth adjustment should only be carried out while seated and with both hands.
- Pregnant women or people with back problems are advised to consult a doctor before use.
